We have had a very busy week. On Tuesday, we held our first KS2 Eucharist at All Saints' Church where we gave thanks and reflected on the contributions of influential black people in the community, including Bishop Rosemary Mallet and Esme Lancaster.

We welcomed some prospective new parents on Wednesday morning. We shared our passion for teaching, learning and enrichment. I was so proud to take the parents around the school and see it in action. Our community, family ethos shone through and the celebration of learning clear for all to see. The children who shared their All Saints' experiences did a fantastic job.

The last of the PPSSA tournaments for the term took place last night and we ended with wins for both the football and netball teams. Match reports can be found further down in the newsletter. Well done to everyone who took part.

Finally, we ended the term with our celebration assembly. I loved hearing about the wonderful learning efforts and values that have been displayed throughout the week. The next one is Friday, 3rd November and parents/carers are welcome to attend.

Have a fantastic half term break.

Best wishes,  
Mrs Ghosh

## EDI CONFERENCE

### *All Saints' C. of E. Primary School* *Rooted in Faith, Growing Through Learning*

A huge well done to the year 3, 4 and 5 students for their contributions to Wandsworth's first EDI conference. Their Black History Month posters and work around Equality, Diversity, and Inclusion based on the Barbie School of Friendship Programme, were showcased in Wandsworth's Professional Development Centre at Burntwood Secondary School. Their work not only brightened the space but reinforced the message of accepting others regardless of their differences.

## Y6 TFL WORKSHOP

Y6 had a workshop with Aleef from TfL (Transport for London) about staying safe on public transport. We learnt so much which we are going to put in practice when we are out and about.

'I learnt that there are 23 cameras on the double-decker bus to make sure everyone is safe.' - *Alex R*

'There are over 6000 amps of electricity on the tube tracks - you only need 1 to stop your heart.' - *Jaian*

'If someone falls onto the tracks, press the emergency button and someone will come straight away.' - *Dior*

'I learnt that if you vandalise a bus, you will be banned from a zip card forever and be in trouble with the police.' - *Joseph*

'If you lend your zip card to your friend, you are banned for 1 year.' - *Matthew*

'If you are grown up and you tap your Oyster, there's one beep and if you're a child there are 7.' - *Georgia*

'You must be 11-15 to have a zip card to travel free on buses but you get a discount on the trains.' - *Vinnie*

'Never stand near the road when you are waiting for the bus.' - *Audrey*

'Never switch carriages when the train is moving.' - *Kene*

'You shouldn't give in to peer pressure when out with your friends.' - *Amelia*

'You stand your height and one step back from the edge when waiting for a bus or train.' - *Dalia*

'You must only press the stop button on the bus once.' - *Alex I*

## Y6 WIMBLEDON FAITH TRAIL

On Wednesday 18th October, Y6 went on their second Faith Trail in the local area; this time to Wimbledon Parkside. We visited St Paul's Church and the Buddhapadipa Temple. Unfortunately, we could not visit the synagogue but we are remembering in our thoughts or prayers all those affected by the troubles in the Middle East.

Here are some of our comments about the visits:

'The Buddhist Temple had a lot of interesting pictures of Buddha and the monks told us the meanings behind the paintings. The Faith Trail is a fun way to learn about different religions.' - *Dior*

'I enjoyed hearing the stories about the Buddha and looking at the different monuments in the Temple. On the Faith Trail, you get to learn different stories about different worship.' - *Tahlia*

'The Temple had a beautiful exterior as well as a lovely painting of the Buddha's timeline inside.' - *Jaian*

'St Paul's Church was really big compared to All Saints'. The people there were very kind and we got to meet Reverend Susan's cute dog, Hazel.' - *Georgia*

'The church was interesting as it fascinated me how detailed the carved gold figures were (you can see a little of them in the photo).' - *Matthew*

'I liked the windows in the church, as they told stories. They gave us a card with Norman's painting of the church on it.' - *Vinnie*

## WORK IN Y5

This week, Year 5 have been creating podcasts about the adventures of Liam from Cosmic. Students needed to plan and write a script for the podcast, record it and edit it to add intro and outro music as well as creating cover art for their podcast. Students demonstrated a strong understanding of the text and the podcast format in their work.

## WORK IN Y1

In Willow Class this week we have been learning to use adjectives to describe Beegu. First we thought about what the similarities between us are, such as we both have a head, arms and legs. Then we thought about how important it is to use adjectives to describe an individual in, then we used a variety of adjectives to describe Beegu.

## PPSSA SPORTS REPORTS

### Football

Yesterday, we played two matches against Sacred Heart and West Hill. We won the first 6-0 against West Hill. Vinnie scored a screamer from outside the box, Talia and Alex R also scored to bring the total to 6! We won the second game 1-0 against Sacred Heart. Ronnie scored a hattrick in the first game and the only goal in the game against Sacred Heart. We came third in the league. *By Matthew & Vinnie—Y6*

### Netball

Our first match we won against Our Lady Queen of Heaven, 2-0. That was the first match we won. Tali got one, and Kalypso got the other. Our second match was against Sacred Heart, we lost 3-2 and Kalypso scored both goals. Our third match was against Sheringdale and we lost 8-0, but everyone played their hearts out and we are proud of our hard work. The other teams also lent us a player for each match. because we were a player short. *By Georgie—Y5*

## KS2 EUCHARIST

'I loved how Jane used the boxes to show us how we should treat everyone equally.'

*Lockie—Y4*

'I liked how Jane explained that in the past black people weren't welcome in some churches, they said thank you for coming but didn't want them to come back. We know that's not right and that now everyone is welcome.'

*Sienna—Y4*

'Like the boxes, Jane showed that we might be different on the outside but it's what's on the inside that counts.'

*Kamran—Y4*

'We learnt that people might be different but everyone can show kindness.'

*Rafael—Y4*

'I loved all of the music.'

*William S—Y4*

'Jane made the message easy to understand and fun.'

*Skye—Y4*

## YEAR 4 ART

Year 4 have been learning about scientist Maggie Aderin Pocock. We learnt that she has dyslexia and found reading and writing hard at school but that she loved science and, in particular was fascinated by space. As well as her achievements in science, she educates young girls about how exciting space science can be and encourages all children to 'reach for the stars.'

Welcome to the first term of the academic year, we do hope you had a lovely summer break.
