

## Hello All Saints!

### The School Chess Club can allow your child to develop:

- Strategic and tactical thinking
- Critical thinking
- Logic and concentration
- Ability to problem solve
- Commitment
- Ability to visualize
- Ability to analyze
- Decision making
- Competitiveness and patience
- Ability to learn something new from each situation

I, Tomer Eden, am a UK Chess Master and I organize and manage the new Chess Clubs planned at the school.

I have been playing chess from the age of 4 and I have represented Division 1 clubs in the 4NCL (Four Nations Chess League), London and Middlesex Leagues, as well as representing Middlesex in the County Championships on the highest boards.

For several years now I have been sharing my passion for this unique game by coaching children and adults in various schools and clubs throughout London.

### The Chess Club lesson plan:

- Weekly lesson on a professional demonstration board
- Weekly tournament game\*
- Mini Games for complete beginners

\*Children that are ready to play a full game will compete in a termly internal tournament with trophies for the winners and badges awarded to all players

### Spring Term 2024 Details:

**January 17<sup>th</sup> – March 20<sup>th</sup>**  
(No club 14th February due to half term)

**Wednesdays Before School 8:00-8:45**  
**£90 for the term**
