

# All Saints' Church of England Primary School Newsletter

Issue 262

17th May 2024

Well done to our Year 6 children who sat their SATs tests this week. They conducted themselves with maturity and showed great resilience. Today, they were well rewarded with an art trip to Turner's House, where they participated in a painting workshop and created watercolour pieces in the style of the artist J.W. Turner. I am looking forward to seeing their creations!

Collaborative working between parents/carers and school is key in children's enjoyment and success at school, with this in mind, this week, Ms Campbell and I met with the class reps. It was a productive meeting where we were able to share what we are working on as a school and hear constructive feedback from each class. I would like to thank them for their time and efforts in the role and you for your contributions.

Tomorrow, All Saints' Church will hold its annual car wash in aid of Christian Aid. This is a church-based event, but they will be using the school grounds. We have begun fundraising for the cause today with an 'own clothes day' and hope the event is a huge success!

Next week, the Year 5 Acacia Class will be off to Hooke Court for their week-long residential. Let's hope the glorious sun we have seen today continues!

Have a lovely weekend,

Mrs Ghosh

## Reception Horse Chestnut Class

This week, in art, Reception have been looking at threading. We used pasta to make jewellery for kings and queens! We had to really concentrate when we were threading the pasta onto the string and even coloured the pasta in different colours so they look like gems. Freddie said "I am an expert at threading pasta!".

## Remarkable Readers - Y1 Willow Class

## Y1 Willow Class

Willow class have had another wonderful week of activities and learning!

In literacy, the children began by researching a new 'pet' and then using this information to adapt the original story. Here we are creating our story mountains.

Willow class have worked hard this week developing their understanding of equal groups and repeated addition. You could practice this at home!

We have also enjoyed lots of creative opportunities this week, such as singing, re-enacting one of the parables in RE, and art.

## Y6 Redwood Class

Y6 celebrate the end of the SATs tests!

We are so proud of every single one of you for the resilience you have shown this week.

*1 - Y6 celebrating the end of SATS*

Y6 had an amazing time at Turner's House today, creating their own water-colours, using different techniques.

Such a therapeutic activity after the business of the last few weeks!

## Y4 Magnolia Class

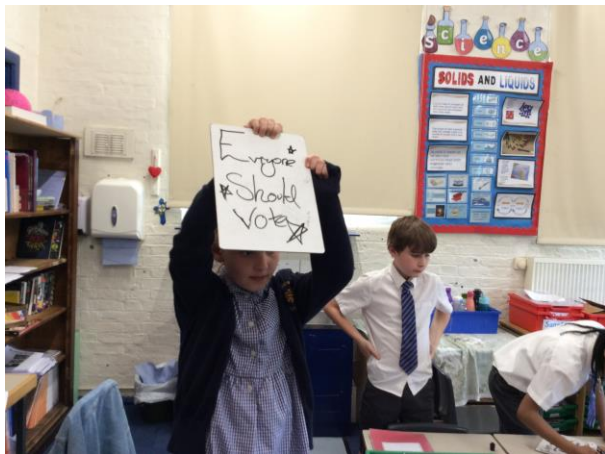

This week, in our Topic lesson, Y4 learnt about Athenian democracy and what type of democracy exists in modern Britain. In true democratic style, we ended the lesson with a debate. Motion: All citizens (including women, young people, enslaved people and people born outside Athens) should be able to vote.

The children thoroughly enjoyed sharing their ideas on who should have been allowed to vote during ancient Greek times.

## Y3 Palm Tree Class

In Art, we explored the Greek gods and goddesses and the class were set the challenge to create their own. Once all the pieces were completed, we participated in a walking gallery in which they all had the opportunity to showcase their creations.

Look at some of the amazing fraction work Zana has done during her own time! She is now an expert at multiplying fractions with different denominators. Great job Zana!

## Y2 Orchid Class

Yesterday Y2 had a very busy day! In the morning we set off on a walk around Putney as part of our topic 'There's No Place Like Home'. " We had to locate and name the different physical and human features on our clipboards"-*Maya, G* . "Along the River Thames we met an architect who told us about the new sewer system that was beneath us, he told us that its main job was to collect all of the rubbish and collect the dirty water so that it could be channelled to east London to be cleaned and treated- *Bertie*. He told us it was a very long tunnel that carried all of the rubbish instead of letting it go into the sea!- *Cordelia*. In the afternoon we visited Putney Library to see the publishing of Monty Robbie's story. What a pleasure it was to see all the children reading with so much enjoyment.

## Nursery Class

Today Nursery went on an exciting trip to the river as part of our extended learning about rivers and maps. On the way there we had to use our maps to mark our journey. We had to point to some places of interest- brook, crossings, etc. Once at the river we had to think of the variety of ways people use the river- for pleasure, for transport, etc. We also had to think of the wildlife that might live there- there were few suggestions of a shark, but then we used our knowledge and decided that sharks are rather found in salty waters!

Even though we got rather tired, thirsty and hungry at the end we all had good time with our friends. Enormous thanks to our fabulous parents volunteers who once again supported us on our journey. Your help is really appreciated!

## HAPPY 125th PUTNEY LIBRARY!

To celebrate the special occasion, take part in the children's prize draw for a chance to **win a £20 book voucher**.

Back in 1899, children under 14 were not allowed in the library. Write a short piece on why Putney library is great for children (**no more than 20 words**). If you prefer, you may present this in picture form.

Include your name and library card number, if you have one. Full Ts and Cs available in the library

## Mental Health Week

## All Saints' Primary School Street Consultation

Following previous conversations with the school community and local residents in November/December 2023, a School Street is being proposed outside All Saints' Primary School and we would like to hear your views. A School Street is a scheme to manage traffic at the school gate during drop-off and pick up times, pedestrians, cyclists and other exempt vehicles will still be able to access the street. The proposal would be for a trial to restrict traffic on Putney Common at 08:15 – 09:00 and 15:00 – 15:45 on school days.

An online survey will be open from Monday 13th May to Sunday 16th June, where you can provide feedback on the proposal. You can access the survey from Monday 13th May by following this link: <https://haveyoursay.citizenspace.com/wandsworthecs/allsaints>.

You can also join engagement events held at the school on Tuesday 21st May: parent pop-up in the playground between 3-3.45pm and a drop-in session in the school hall between 4-6pm. Council officers will be present to answer any questions.

Please see the council website for further information about School Streets [www.wandsworth.gov.uk/schoolstreets](http://www.wandsworth.gov.uk/schoolstreets)<sup>1</sup>.
