

# All Saints' Church of England Primary School Newsletter

Issue 260

3rd May 2024

On Thursday the school held its annual Governors Visit Day which allows the school's governors to see the school in action and meet with staff and children. Governors were able to observe a broad range of lessons across the whole school, as well as meet with School Council and Faith Group. We also had the opportunity to attend Praise Worship and join the children for their school lunch. This was our first Governors Visit Day since Mrs Ghosh and Miss Campbell were appointed Head Teacher and Deputy Head Teacher and it provided us with a real opportunity to see the impact of the changes Mrs Ghosh has put in place since joining the school in September. Governors were very impressed with the children's behaviour throughout the school, as well as the progression we could see in their hand writing skills. It was extremely interesting listening to Miss Campbell talk about the work she has done on revamping the curriculum, particularly in English. We also had the invaluable opportunity to speak with staff during their lunch break. We are very excited about the plans Mrs Ghosh has for All Saints' and we are already looking forward to our next Governors Visit Day.

## Remarkable Reading

Thank you for coming along for Remarkable Reading, today. Although the skies were grey, the atmosphere was sunny.

\*Please be reminded that Remarkable Reading will now take place in your child's classroom. The session will **start at 8.45 am and finish promptly at 9.00am** in order to begin our learning!

Thank you again,

Ms Campbell

## Y6 Redwood Class

Y6 Redwood Class have been working so incredibly hard this week, practising for their important tests. We still found time to have a bit of fun in Science by making our own "blood"! I wonder if you can guess what ingredients we used to represent: plasma, red blood cells, white blood cells and platelets?

## Y5 Acacia Class

We have been exploring the Anglo-Saxon takeover of Britain from the Romans in history. We used our atlases to find the different countries that the Angles and Saxons came from and found out which parts of the UK were taken over by them. A great way to combine our history and geography knowledge!

## Nursery Class

On Monday, nursery and reception took part in a special event to help celebrate 150 years of All Saints' Church! We have invited Early Years classes from the local community to come and help us celebrate. We had participation from St Mary's CE Primary School and Our Lady of Victories. There was lots of singing, poem performing and even dancing! All children were amazing in their performances and lots of smiles and happiness was had by all! What talented children we have in the community! Warm thanks to all involved for making it a memorable morning.

## Helpers needed for Junior Library!

If you are interested in helping us to catalogue books in the Junior library, please reach out to Ms Campbell with your availability. The sooner the books are organised properly, the quicker the children can begin to take all of our new, wonderful books home to read with you!

Thanks,

Ms Campbell

## All Saints' Primary School Street Consultation

Following previous conversations with the school community and local residents in November/December 2023, a School Street is being proposed outside All Saints' Primary School and we would like to hear your views. A School Street is a scheme to manage traffic at the school gate during drop-off and pick up times, pedestrians, cyclists and other exempt vehicles will still be able to access the street. The proposal would be for a trial to restrict traffic on Putney Common at 08:15 – 09:00 and 15:00 – 15:45 on school days.

An online survey will be open from Monday 13th May to Sunday 16th June, where you can provide feedback on the proposal. You can access the survey from Monday 13th May by following this link: <https://haveyoursay.citizenspace.com/wandsworthecs/allsaints>.

You can also join engagement events held at the school on Tuesday 21st May: parent pop-up in the playground between 3-3.45pm and a drop-in session in the school hall between 4-6pm. Council officers will be present to answer any questions.

Please see the council website for further information about School Streets [www.wandsworth.gov.uk/schoolstreets](http://www.wandsworth.gov.uk/schoolstreets)<sup>1</sup>.
